There was some confusion if the following comments were submitted to the WGQ of NAESB - I do not believe the comments were submitted, however if they were submitted, please disregard this e-mail.

The following are AEP's comments...

5.3.z1 Proposed Standard (Page 4)

**iii Evening Recall Notification** - Proposed notification time is 6:00 PM Central Time.

**This is the evening cycle deadline. No opportunities exist to make adjustments for the Evening Cycle (Cycle 2). All other proposed notification times provide 1.5 to 2.5 hours to make adjustments prior to next scheduling deadline.**

**Opportunity does exist to make adjustments prior to the Intraday 1 (Cycle 3) deadline.**
