IR Issue: Is the Offer Upload Final Disposition used for non-prearranged deals as well as for prearranged deals? (IR 9/15/98)

Proposed Concepts:

The final disposition should be sent to:

1. The releasing shipper, both in the case of a pre-arranged or non-pre-arranged Offer Upload.
2. The prearranged bidder in the case of a prearranged Offer Upload
3. The winning bidder who has sent in a Bid Upload, both in the case of a prearranged and non-prearranged Offer Upload.
