RE: Change of Venue for February 25-27, 2003 REQ Subcommittee Meetings

DATE: [January 10, 2003](#)

The venue for the REQ Subcommittee meetings planned for February 25-27, 2003, in Rancho Cucamonga, CA has been changed to Newark, NJ.

The meetings will be hosted by Public Service Electric and Gas—details to follow.

The decision to change cities was tentatively made at the Customer Processes Subcommittee meeting on January 7, 2003 and finalized at the Supplier-Utility Interface Subcommittee meeting on January 8, 2003. Both groups indicated that in-person attendance would be higher for an east-coast or central location.

The three days reserved remain the same, but SUI will go first, meeting on Tuesday February 25. The CPS meeting will be held on Wednesday February 26 and Thursday February 27.

Specific meeting times, agendas, and information on the meeting arrangements will be posted as soon as they are available.
