Paragraph 5. Reduction and Substitution of Posted Collateral.

(b) Except when (i) a Credit Support Default with respect to the Pledging Party has occurred and is continuing, or (ii) an Event of Default with respect to the Pledging Party has occurred and is continuing or (iii) no Early Termination Date has occurred or been designated by the Secured Party for which there exist any unsatisfied payment obligations under the Base Contract, the Pledging Party may substitute new Eligible Collateral for existing Posted Collateral of equal Value on the Business Day following the Secured Party's receipt of written Notice thereof (provided that, if such Notice is made after the Notification Time, the Pledging Party may not substitute Eligible Collateral until the second Business Day thereafter; and provided further that if such substitute Eligible Collateral is of a type not designated as Eligible Collateral in the elections on Page 1 herein, then the substitution may not occur unless the Secured Party consents to such substitution). (c) The Transfer of any Eligible Collateral by the Secured Party and/or its Custodian to the Pledging Party in accordance with this Paragraph 5 shall be deemed a release by the Secured Party of its security interest, general first lien and right of offset granted pursuant to Paragraph 12(a) hereof only with respect to such returned Eligible Collateral.

Paragraph 6. Disputed Calculations.

(a) If the Pledging Party disputes the amount of Eligible Collateral requested by the Secured Party and such dispute relates to the amount of the Exposure as determined by the Secured Party, then the Pledging Party shall (i) notify the Secured Party of the existence and nature of the dispute not later than the Notification Time on the first Business Day following the date that the demand for Eligible Collateral is made by the Secured Party pursuant to Paragraph 4, and (ii) Transfer Eligible Collateral to or for the benefit of the Secured Party in an amount equal to the Pledging Party's own determinations, made in good faith and consistent with Base Contract Section 10 in a commercially reasonable manner, of the Pledging Party's Collateral Requirement in accordance with Paragraph 3. In all such cases, the parties thereafter shall promptly consult with each other in order to reconcile the two conflicting determinations. If the parties have not been able to resolve their dispute on or before the second Business Day following the date that the Pledging Party notifies the Secured Party that it disputes the Secured Party's calculation, then the amount of the Exposure shall be recalculated with each party requesting quotations from one (1) Reference

Market-Maker within two (2) Business Days after the demand by the Secured Party (taking the arithmetic average of those quotations obtained to obtain the average Exposure, provided, that, if only one (1) quotation can be obtained, then that quotation shall be used and if no quotations can be obtained, then the Secured Party's calculation shall control) for the purpose of recalculating the Exposure of each transaction in respect of which the parties disagree as to the Exposure thereof. The Secured Party shall inform the Pledging Party of the results of such recalculation in reasonable detail not later than _____ Business Days after the initial demand by the Secured Party⁵. Eligible Collateral shall thereupon be provided, returned, or reduced, if necessary, on the next Business Day after the Secured Party provides its notice unless the Notice is provided after the Notification Time in which case the Eligible Collateral shall be provided on the second Business Day after the Secured Party provides Notice of its recalculations⁹ thereafter in accordance with the results of such recalculation.

(b) If the Secured Party disputes the amount of Eligible Collateral to be reduced by the Secured Party and such dispute relates to the amount of the Exposure claimed by the **Pledging** Party, then the Secured Party shall (i) notify the Pledging Party of the existence and nature of the dispute not later than the Notification Time on the first Business Day following the date that the demand to reduce Eligible Collateral is made by the Pledging Party pursuant to Paragraph 5, and (ii) effect the reduction of Eligible Collateral to or for the benefit of the Pledging Party in an amount equal to the Secured Party's own estimate, made in a commercially reasonable manner, of the Pledging Party's Collateral Requirement in accordance with Paragraph 3. In all such cases, the parties thereafter shall promptly consult with each other in order to reconcile the two conflicting amounts. If the parties have not been able to resolve their dispute on or before the second Business Day following the date that the Secured Party notifies the Pledging Party that it disputes the Pledging Party's calculation, then the Secured Party's Exposure shall be recalculated by each party requesting quotations from one (1) Reference Market-Maker within two (2) Business Days after the demand by the Pledging Party (taking the arithmetic average of those quotations obtained to obtain the average Exposure; provided, that, if only one (1) quotation can be obtained, then that quotation shall be used and if no quotations can be obtained, then the Secured Party's calculations shall control⁷) for the purpose of recalculating the Exposure of each transaction in respect of which the parties disagree as to the Exposure thereof. The Secured Party shall inform the Pledging Party of the results of such recalculation in reasonable detail not later than _____ Business Days after the initial demand by the Secured Party⁸. Eligible Collateral shall thereupon be provided, returned, or reduced, if necessary, on the next Business Day after the Secured Party provides its notice unless the Notice is provided after the Notification Timer in which case the Eligible Collateral shall be provided on the second Business Day after the Secured Party provides Notice of its recalculations⁹ thereafter in accordance with the results of such recalculation.
