

**MEMORANDUM**

**Date:** January 20, 1999

**To:** Rae McQuade - Executive Director, GISB  
Jim Buccigross - Chairman, GISB Executive Committee

**From:** Donna Scott - Co-Chair, Technical Subcommittee  
Denise Breeden - Co-Chair, Technical Subcommittee  
Kim Van Pelt - Co-Chair, Technical Subcommittee

**Attached are minor clarifications and corrections of a technical nature that have been identified by the Technical Subcommittee for the Capacity Release Implementation Guides. Please present these items to the Executive Committee for approval at the January 21, 1999 meeting. Thanks you.**

**TECHNICAL CHANGE LOG** (all instructions to accomplish the recommendation)

<b>Description of Change:</b>
<b>G840CROF - Offer Download (5.4.1) (formerly Firm Transportation and Storage - Offer)</b>
<b>X12 Mapping</b>
Header DTM segment (position 150): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
"REF Segments (Heading)" table: for data element "Special Terms and Misc. notes", change to "Special Terms and Miscellaneous Notes"
<b>G843CRBR - Bid Download (5.4.2) (formerly Firm Transportation and Storage - Bid Review)</b>
<b>X12 Mapping</b>
Header DTM segment (position 150): DTM07: change "Bid Receipt Date/Bid Receipt Time" to "Bid Receipt Date, Bid Receipt Time" and change "Posting Date/Posting Time" to "Posting Date, Posting Time"
Header LIN segment (position 180): LIN02: delete note "Prearranged Bid Indicator"; LIN03: add note "Prearranged Bid Indicator"
Detail DTM segment (position 200): DTM07: change "Seasonal Start Date/Seasonal End Date" to "Seasonal Start Date, Seasonal End Date"
<b>Transaction Set Tables</b>
"DTM Segments (Heading)" table: change "Bid Receipt Date/Bid Receipt Time" to "Bid Receipt Date, Bid Receipt Time" and change "Posting Date/Posting Time" to "Posting Date, Posting Time"
<b>G843CRAN - Award Download (5.4.3) (formerly Firm Transportation and Storage - Award Notice)</b>
<b>X12 Mapping</b>
Header DTM segment (position 150): DTM07: replace all "/" with ", " to separate data element names
Detail DTM segment (position 200): DTM07: change "Seasonal Start Date/Seasonal End Date" to "Seasonal Start Date, Seasonal End Date"
<b>Transaction Set Tables</b>
"REF Segments (Heading)" table: change "Special Terms and Misc. Notes" to "Special Terms and Miscellaneous Notes"
"DTM Segments (Heading)" table: replace all "/" with ", " in Element Name column to separate data element names
<b>G832CRRC - Replacement Capacity (5.4.4)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Replacement Capacity"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Replacement Capacity"
<b>X12 Mapping</b>
Change Header on each page to "GISB Replacement Capacity"
Header DTM segment (position 070): DTM07: replace all "/" with ", " to separate data element names
Detail DTM segment (position 073): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
Change Header on each page to "GISB Replacement Capacity"
<b>G843CRWD - Withdrawal Download (5.4.5) (formerly Firm Transportation and Storage - Withdrawal)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Withdrawal Download"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Withdrawal Download"

<b>X12 Mapping</b>
Change Header on each page to "GISB Withdrawal Download"
Header DTM segment (position 150): DTM07: replace all "/" with ", " to separate data element names
<b>G840UPWD - Withdrawal Upload (5.4.6) (formerly Electronic Withdrawal Upload)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Withdrawal Upload"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Withdrawal Upload"
<b>X12 Mapping</b>
Change Header on each page to "GISB Withdrawal Upload"
<b>G840UDOF - Offer Upload (5.4.7) (formerly Upload to Pipeline of Prearranged Deal (UPPD))</b>
<b>X12 Mapping</b>
Header DTM segment (position 150): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
"DTM Segments (Heading)" table: in Element Name column, change all "/" and "-" to ", " so that all data element names are separated by commas
"DTM Segments (Heading)" table: delete entire column "Description"
"SDQ 67/380 Pairs (Detail)" table: For data element "Maximum Offer Quantity - Contract", in "Elem 67" column, change "MQ" to "MO" (this was inadvertently changed from version 1.2 to 1.3)
<b>G843UDVL - Offer Upload Quick Response (5.4.8) (formerly UPPD - Validation)</b>
<b>Data Element Xref to X12</b>
Detail PO1 segment: Move Validation Message up under Validation Code; separate Rate Identification Code and Surcharge Identification Code to two lines: add another line after Rate Identification Code: "C Surcharge Identification Code"
<b>X12 Mapping</b>
Detail PID Segment (position 050): PID07: mark PID07 as Must Use
<b>G840UDRC - Offer Upload Notification (5.4.9) (formerly UPPD - Notification)</b>
<b>X12 Mapping</b>
Detail DTM Segment (position 200): DTM01: delete the data element names from code value 448 notes; DTM07: replace "/" with a comma ", " to separate the data element names
<b>Transaction Set Tables</b>
"DTM Segments (Heading)" table: in "Element Name" column, replace all "/" with ", " to separate the data element names
"DTM Segments (Heading)" table: delete entire column "Description"
<b>G843UDBC - Offer Upload Bidder Confirmation (5.4.10) (formerly UPPD - Bidder Confirmation)</b>
<b>X12 Mapping</b>
Header REF segment (position 350): delete code value note from REF01 code value AU
Heading PER segment (position 360): PER02: change "Contact Name" to "Bidder Contact Name, Return Addressee Contact Name"
<b>G824UDCV - Offer Upload Bidder Confirmation Quick Response (5.4.11) (formerly UPPD - Bidder Confirmation Validation)</b>
<b>X12 Mapping</b>
Header BGN segment (position 020): BGN03: change "Transaction" to "transaction"
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Operationally Available and Unsubscribed Capacity"

<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Operationally Available and Unsubscribed Capacity"
<b>X12 Mapping</b>
Change Header on each page to "GISB Operationally Available and Unsubscribed Capacity"
Header DTM segment (position 150): DTM07: replace all "/" with ", " to separate data element names
Detail DTM segment (position 200): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
Change Header on each page to "GISB Operationally Available and Unsubscribed Capacity"
"DTM Segments (Heading)" table: Replace all "/" with ", " to separate data element names in Element Name column
"DTM Segments (Detail)" table: Replace all "/" with ", " to separate data element names in Element Name column
<b>G846UPRD - Upload of Request for Download of Posted Datasets (5.4.14)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Upload of Request for Download of Posted Datasets"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Upload of Request for Download of Posted Datasets"
<b>X12 Mapping</b>
Change Header on each page to "GISB Upload of Request for Download of Posted Datasets"
Header DTM segment (position 050): DTM07: replace all "/" with ", " to separate data element names; DTM01: delete note from DTM01 (leave existing code values)
<b>Transaction Set Tables</b>
Change Header on each page to "GISB Upload of Request for Download of Posted Datasets"
<b>G846RURD - Response to Upload of Request for Download of Posted Datasets (5.4.15)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Response to Upload of Request for Download of Posted Datasets"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Response to Upload of Request for Download of Posted Datasets"
<b>X12 Mapping</b>
Change Header on each page to "GISB Response to Upload of Request for Download of Posted Datasets"
Header DTM segment (position 050): DTM07: replace all "/" with ", " to separate data element names; DTM01: delete note from DTM01 (leave code value)
<b>Transaction Set Tables</b>
Change Header on each page to "GISB Response to Upload of Request for Download of Posted Datasets"
<b>G840SWNT - System-Wide Notices (5.4.16)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB System-Wide Notices"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB System-Wide Notices"
<b>X12 Mapping</b>
Change Header on each page to "GISB System-Wide Notices"
Header DTM segment (position 030): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
Change Header on each page to "GISB System-Wide Notices"
"DTM Segments (Heading)" table: Replace all "/" with ", " to separate data element names in Element Name column in table and in M1 note in Usage section below table. (total of 6 replacements); also replace "/" with ", " in C1 note.

"REF Segments (Heading)" table: For data element Required Response Indicator, REF02 = '4', change "Response Date/Response Time" to "Response Date and Response Time".
<b>G864CRNS - Note/Special Instruction (5.4.17)</b>
<b>Data Element Xref to X12</b>
Change Header on each page to "GISB Note/Special Instruction"
<b>Sample X12 Transaction</b>
Change Header on each page to "GISB Note/Special Instruction"
<b>X12 Mapping</b>
Change Header on each page to "GISB Note/Special Instruction"
Header DTM segment (position 030): DTM07: replace all "/" with ", " to separate data element names
<b>Transaction Set Tables</b>
Change Header on each page to "GISB Note/Special Instruction"
