

Proposal for Glossary Subcommittee

REQ Glossary Subcommittee

REQ Glossary Subcommittee

- Subcommittee consists of a lead, one member from each active subcommittee and other interested parties
- Master document to hold all defined terms
- Defined terms still capitalized throughout documents
- Definitions need to be general enough to be used in multiple documents

REQ Glossary Subcommittee

- Start with UBP/CUBR Glossary Document
- If changes necessary, subcommittees submit revisions to Glossary Subcommittee
- Subcommittees submit new defined terms to Glossary Subcommittee
- Glossary Subcommittee responsible for getting approval of definitions from all subcommittees and ultimately the Executive Committee
