Florida Power & Light Company ("FPL")
Corporate Headquarters -- 700 Universe Boulevard -- Juno Beach, Florida 33508

Auditorium, Building C - Room 1300

NOTES:

- It is the "season" in Florida and it is therefore recommended that you make reservations as early as possible to get the best accommodations at the lowest rates. Each attendee is responsible for making his or her own hotel arrangements.
- Parking may be limited at the FPL facilities due to ongoing construction of an additional building at the site (west of Bldg. C). You may want to come early to get the closest parking spots or a spot in the Visitor Parking area, and to allow sufficient time for security check-in. Where possible, it is recommended that rides be shared to/from the hotels or take a taxi.
- Driving Instructions: When driving to the FPL facilities from the mainland and crossing the Intracoastal Waterway via the bridge on PGA Blvd, drivers may go North to Universe Boulevard either on Ellison Wilson Road (as described in the attached map) or on Federal Highway (which is the same as U.S. Highway One). There is now a left turn light (going North) at Universe Boulevard and U.S. Highway One.
- Additional information about security check-in procedures and parking at FPL will be provided later. Entry/Exit will be through Building A on the east side of FPL's facilities, as shown on the map.
