RE: Executive Committee Conference Call on June 24, 1997

As previously announced, the Executive Committee will meet via conference call on:

Tuesday, June 24, 1997

1:00 PM - 3:00 PM (Central Time)

This conference call is for the Executive Committee to discuss and vote on the five recommendations from the Technical Subcommittee for modifications to existing standards that went out for industry comment on June 13 and concluded on June 20. The recommendations are in regard to requests R97097, R97098, R97099, R97100, and R97101. All commentary received by the GISB office by 7:00 PM are attached for the Executive Committee consideration. The attached comments were submitted by Coastal Oil and Gas Corporation, Enron Interstate Pipelines, and Sabre Decision Technologies. The GISB office will be monitoring email through the weekend for additional comments. It is recommended that you check the GISB home page on Monday, June 23 in the "Executive Committee" area for any additional comments that the GISB office may receive. The comments can be accessed individually from the "Executive Committee" area of the home page.

The agenda is:

- 1:00 PM - Welcome, Antitrust, Roll Call, Adoption of Agenda
- Discussion, Consideration of Comments, and Vote on:
R97097, R97098, R97099, R97100, R97101
- 3:00 PM - Adjourn

If you are interested in participating on the conference call, please contact the GISB office at 713-757-4175. After the Executive Committee votes are collected on June 24, the member ratification ballot will be sent out for member ratification to conclude on July 24.

Please call the GISB office if you need further information.
