

Revision History, March 13, 2002

Changed references to HTTP 1.1 in appendix A, see redline under HTTP definition.

Change title of “D” from “Minimal” to “Minimum”

Change the Title of Appendix C to be like D, minus the word “suggested”

Change references to minimal on pages 7 and 8 to minimum.

Add 1024x768 in “suggested column” in Appendix D

add number of colors to page 5 and 6 on “C” 256/16k example config.

Page 8 make 500 Mhz instead of 200 for suggested value.

Fix references to 40 bit,

Remove date from Appendix E.

Tab 2, Introduction change minimal to minimum under appendix TOC

Page 104 of workpaper 7 already references Appendix C, page 104 in workpaper 6 is blank. NO changes were made. (Change page 104 of the PDF to “see Appendix “C””)
