

The April 19th and 20th GISB Future Technology Task Force meeting will be hosted by El Paso Energy at Travis Place, 1010 Travis on the ninth floor.

Travis Place is located downtown on top of the 1010 Parking Garage next to the El Paso Energy building. The streets surrounding the garage are McKinney, Louisiana, Travis, and Milam. There are entrances into the garage from McKinney and Travis.

To locate the meeting room from the parking garage, take the McKinney St. elevators to the first floor. Exit the elevators and go down the escalators to the tunnel. Turn left and go approximately 10 feet. Turn left again into Travis Place. Take the Travis Place elevators to the ninth floor. A sign will be posted giving the location of the meeting room.
