6. Determine requirements and schedule for the next FTTF meeting

3:45 PM FRI Summarize progress and action items

4:00 PM Adjourn

Note: Please do research on XML/EDI in advance of this meeting in order to be prepared to formulate conclusions with other FTTF members. If you haven't already done so, many references to XML/EDI may be accessed for your research on the Internet. Background information on FERC Order No. 587- G will also prove valuable for this meeting in addition to the links under the Executive Committee EBB Internet Transition Group. Please review these prior to the meeting.
