

GISB Future Technology Task Force Meeting
June 3, 1999
Enron Capital & Trade Resources
Meeting Arrangements

Location: Conference Room 35c2, which is on the 35th floor of the Enron Building
1400 Smith St.
Houston, Texas

Please check in with the security desk in the lobby to get a visitor's badge. They may let you go directly to 35, or they may call me before allowing you up. All floors of the Enron Building are card-protected, so I will attempt to be the gate-keeper on 35.

Directions: The Enron building is located in downtown Houston. There is (expensive) parking available in adjacent parking garages, but it does fill up early. Cheap parking is available a few blocks west of the Enron building on West Dallas Street, on the other side of I45.

Hotels: The Hyatt Regency and the Doubletree are both located within easy walking distance.

Contact: Andy Sicignano 713-853-3142
713-284-3584 (pager)

Food: ECT will provide breakfast and lunch for this meeting.
