Kennedy, approx 90 minutes

- Trains: Office is right across the street from the Stamford Transportation Center, which is an express station for both Amtrak and MetroNorth Railroad. Amtrak has a stop at Newark Airport, and trains run with some frequency from Newark through New York to Stamford. Please note that Amtrak runs from Penn Station in NYC (33rd & 7th) whereas MetroNorth runs from Grand Central Station. MetroNorth runs all day at varying intervals--Stamford is on the New Haven Line.
Train tip---look on the schedule for any train that's 47 minutes from Grand Central to Stamford--these are the express trains that make only one or 2 other stops. Avoid the 66 minute trains, which stop about 15 times--it's only an extra 20 minutes, but it feels much longer!!
Train schedules can be found at:
