Gas Electric Coordination Task Force

Mission

The Gas Electric Coordination Task Force (GECTF) is an ad-hoc task force reporting to the four quadrant Executive Committees. The mission of the GECTF is to address the issues noted in Request 03031 submitted by Tennessee Valley Authority as revised on November 20, 2003. The GECTF is tasked with reviewing and investigating possible standards creation related to additional coordination of the interaction between the scheduling of electric, and gas transactions^[1].

Composition

The composition of the GECTF is open to all interested parties and the leadership will be appointed with one co-chair from each quadrant of the Executive Committee (or alternates).

Operating Practices

The GECTF will operate in conformance with the NAESB Certificate, bylaws and established NAESB Operating Practices.

Meetings and Voting

The GECTF will meet as scheduled by the co-chairs with the NAESB office. All voting will follow NAESB governance documents – certificate, bylaws and operating practices.
