

Draft 1 Proposed Clarification Response to C98007

Request for Clarification:

It would seem that the standards adopted in GISB Standards Version 1.3 concerning intraday nominations and scheduling (i.e., results of intraday nominations are reported by means of the scheduled quantities provided in each intraday period and the results of the timely nominations are reported by means of the scheduled quantities provided in the timely period) might change the purpose of GISB Standard 1.3.3? In light of this, has the purpose of GISB Standard 1.3.3 changed?

Proposed Clarification:

[Same text as presently appears as the Interpretation in Standard 7.3.4]
