**RE: INTERPRETATION SUBCOMMITTEE CONFERENCE CALL -- October 12, 1998**

Please plan to participate on an Interpretation Subcommittee conference call scheduled for:

Date: Monday, October 12, 1998  
Time: 10:00 A.M. (central time)  
Conference #: Please contact the GISB office for the conference number.  
Passcode: GISB

The draft agenda for the meeting is as follows:

1. Welcome, Antitrust Advice, Roll Call, Adoption of Agenda, Adoption of September 14 minutes
2. Interpretations For Discussion and Vote For Adoption:
  - C98008 Clarification is requested as to the intended meanings of the Transaction Set Purpose Codes "original" and "change" as used in the Offer, Bid and Award Data Sets. The present definition of the Transaction Set Purpose Code in the Implementation Guide states that the code "denotes the status of an Offer, Bid or Award".
  - C98009 Request clarification related to the use of only central clock time values in the date/time data elements for all Capacity Release related datasets (e.g. Offers, Bids, Awards, Upload to Pipeline of Prearranged Deal, UPPD Validation, Bidder Confirmation, Final Disposition, Operational Available, Unsubscribed FT, and Critical Notices). Should all time values be provided as central clock time?
3. Agenda & Schedule for next meeting
4. Adjourn
