**Subject:** Issue Regarding R96056– Producer Imbalance Statement

**Date:** April 19, 2002

---

At its meeting on April 16-17, 2002, the Information Requirements (IR) subcommittee discussed request **R96056** from ExxonMobil. This requests the development of a new data set to accommodate the sending of a Producer Imbalance Statement. During IR's discussion, it was determined to send the following question to BPS and the following motion was made:

**Motion:**

Question to BPS:

As a result of processing requests **R96056**, Information Requirements (IR) is developing the Producer Imbalance Statement dataset. As a part of this, IR is developing EDI/Flat File and EBB usages. Should there be data groupings and/or data element ordering for this new dataset?
