As of November 14, 2001

- Modify the first paragraph as follows:

The capacity release datasets include reports from the transportation service provider to a data requester which describe capacity release activity on the transportation service provider's system **as well as transactional information for transportation service**. Capacity release reports consist of the **following datasets**:

- Offer Download ~~dataset,~~
- Bid Download ~~dataset, the~~
- Award Download ~~dataset, the~~
- Operationally Available and Unsubscribed Capacity ~~dataset, the~~
- replacement Capacity dataset, the Withdrawal Download dataset, ~~and the~~
- System-Wide Notices dataset~~,~~
- **Transactional Information – Capacity Release dataset,**
- **Transactional Information – Firm Transportation dataset, and**
- **Transactional Information – Interruptible Transportation dataset.**

The data requester specifies what report type(s) as well as the date and time period for the reports by sending an Upload of Request for Download of Posted Datasets request to the transportation service provider. Data requesters may specify one or more types of reports in a request for the specified date period.
