

(Sent out by NAESB REQ and RGQ via e-mail)

The Retail Electric and Retail Gas Quadrants have each established a Glossary Subcommittee. These subcommittees are working jointly to pool resources and to maintain as much uniformity as possible when defining terms used in the retail markets.

Attached is a preliminary listing of terms and definitions. The Glossary Subcommittees are asking you to survey the list to 1) offer alternative definitions for terms, 2) add terms and definitions you consider appropriate to the retail markets, and 3) where there are multiple definitions, to identify the definition you prefer.

Please submit your input to naesb@aol.com. Thank you for your time.

Sincerely,

Mark Jarrett and Jean Mason
REQ GS Co-Chairs
Glossary Subcommittee

Don Sytsma and Howard Gorman
RGQ GS Co-Chairs
Glossary Subcommittee
