

TO: NAESB Retail Gas Quadrant Prospective Members and Interested Parties

Please be advised that a conference call has been scheduled for next Friday, April 26 from 1:00 PM to 3:00 PM Eastern to start the process of putting together an annual plan for the RGQ. This will be the first of several regularly scheduled calls for this purpose.

Attached is a draft of the Retail Electric Quadrant Annual Plan, which was developed by participants in the REQ. Please review this document, which will serve as a framework for developing an annual plan for the Retail Gas Quadrant.

Please communicate your interest in serving on a subcommittee to develop an RGQ Annual Plan by replying to this message by Thursday, April 25. Call details and an agenda will be forwarded to you on Monday, April 22.

Best regards,
