Subject: REQ/RGQ CPS Definitions

From our recent subcommittee meeting in Columbus, the CPS requests of the Glossary Subcommittee a definition for the following term: Service Delivery Point. In addition, we request a revision to the Business Day definition to account for state holidays. And, please strike the definition for Utility and replace all references to it with Distribution Company. There may be some other requests and if so, I'll send them on to you. Thanks for your help. Bill Oppenheim
