NOTES ON AGENDA ITEMS:

- 2) Nom Cycle Nomenclature Options:
 - a) cycle 1&2 for Regular, cycle 1&2 for Intraday
 - b) cycle 1-4 for whole shooting match
 - c) deadline labelling, i.e. 11:30 cycle, 6 pm cycle, 10 am cycle, 5 pm cycle
 - d) Timely, Late Nom, Intra I, Intra II
 - e) Timely, Cycle 2, Intra I, Intra IIgenerally, the group seems to support either d) and/or e), split evenly.
- 3) Keep current standard nomenclature, roll Greg's into mine.
- 4) Kirt Kleinman's comments:

NOTE: The group feels that the I.c concept is not part of the compromise model and needs to be removed from the Standards Proposal. It was stricken from 1.3.5. Also, related 1.3.13 was left untouched.
- 5) Ken Shubert's comments:

Processing of Scheduled Quantities documents, which is being reviewed in the BPS group. We deferred to them for now.
- 6) Confirmations group product not finished. Input from them premature.
- 7) Definition's Group product review:

Need CONFIRMATION defined as a term.
Pull BPS informational items pulled out to a separate section.
Assign unique numbering in place of X's - redistribute to team.
