Here's the map needed for the NAESB WGQ Technical and IR and the REQ TEIS meetings in Salt lake City later this month. It shows a route from the Salt Lake City Airport to the Williams offices. If you are staying at the Embassy Suites in downtown SLC, the best route is to take 400 South eastbound to Wakara Way, turn left onto Wakara...at next stop sign turn left, Chipeta Way and Williams is on the right side.
