

**To:** NAESB WGQ Information Requirements Subcommittee

**From:** Kim Van Pelt and Mike Stender  
Co-chairs, NAESB WGQ Technical Subcommittee

**Subject:** Issue Related to Request R96056

**Date:** July 9, 2003

---

The IR level data dictionary shows the Statement Basis data element at the detail level (TSP loop). The sample paper indicates that it may belong in the sub-detail. How should it be reflected?
