

**NAESB WGQ Technical Subcommittee  
Final Meeting Minutes Attachment  
11/12/2002  
R99024 Working Document**

<b>Capacity Release</b>
<b>Offer Download</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Releaser Company Name, modify the data element name to "Releaser Name".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Heading N1: For the data element Bidder Company Name, modify the data element name to "Bidder Name".
Sub-detail N1: Delete all entries for the N1 segment: M Segment Indicator M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code SO Gas Transaction Point (1 or 2) Description
Sub-detail N4: Delete entry for the N4 segment: SO Gas Transaction Point (1 or 2) Zone
Sub-detail REF: Delete entry for the REF segment: So Gas Transaction Point (1 or 2) OBA Indicator
Sub-detail N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entry: SO Location Zone
Sub-detail REF: For the REF label, add the following entry: SO Location OBA Indicator
<b>X12 Mapping</b>
Heading N1 segment (position 310): N102: Replace data element list in the element note with "Bidder Name, Releaser Name".
Heading N1 segment (position 310): N104: Replace data element list in the element note with "Transportation Service Provider/Transportation Service Provider Proprietary Code, Releaser/Releaser Proprietary Code, Bidder/Bidder Proprietary Code".
Sub-detail N1 segment (position 340): N101: Add data note "Location Purpose"
Sub-detail N1 segment (position 340): N101: Code Value S8: Delete "Segment Indicator" text.
Sub-detail N1 segment (position 340): N101: Code Value S9: Delete "Segment Indicator" text.
Sub-detail N1 segment (position 340): N102: Replace element with "Location Name".
Sub-detail N1 segment (position 340): N103: Code Value 29: Replace code value note with "For NAESB WGQ, this code value may only be used when sending the Location.
Sub-detail N1 segment (position 340): N103: Code Value ZY: Replace code value note with "For NAESB WGQ, this code value may only be used when sending the Location Proprietary Code.
Sub-detail N1 segment (position 340): N104: Replace data element list in the element note with "Location/Location Proprietary Code".
Sub-detail N4 segment (position 370): N406: Replace data element list in the element note with "Location Zone".

Sub-detail REF segment (position 380): REF02: Replace data element list in the element note with "Location OBA Indicator".
<b>Transaction Set Tables</b>
<b>Bid Download</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Releaser Company Name, modify the data element name to "Releaser Name".
Sub-detail N1: Delete all entries for the N1 segment: SO Gas Transaction Point (1 or 2) Description M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code M Segment Indicator
Sub-detail N4: Delete entry for the N4 segment: SO Gas Transaction Point (1 or 2) Zone
Sub-detail N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entry: SO Location Zone
<b>X12 Mapping</b>
<b>Transaction Set Tables</b>
<b>Award Download</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Heading N1: For the data element Bidder Company Name, modify the data element name to "Bidder Name".
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Releaser Company Name, modify the data element name to "Releaser Name".
Sub-detail N1: Delete all entries for the N1 segment: M Segment Indicator M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code SO Gas Transaction Point (1 or 2) Description
Sub-detail N4: Delete entry for the N4 segment: SO Gas Transaction Point (1 or 2) Zone
Sub-detail N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entry: SO Location Zone
<b>X12 Mapping</b>
<b>Transaction Set Tables</b>

<b>Replacement Capacity</b>
<b>Data Element Xref to X12</b>
Sub-detail N1: Delete all entries for the N1 segment: M Segment Indicator M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code SO Gas Transaction Point (1 or 2) Description
Sub-detail N4: Delete all entries for the N4 segment: SO Gas Transaction Point (1 or 2) State SO Gas Transaction Point (1 or 2) Zone
Sub-detail REF: Delete entry for the REF segment: SO Gas Transaction Point (1 or 2) OBA Indicator
Sub-detal N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entries: SO Location State SO Location Zone
Sub-detail REF: For the REF label, add the following entry: SO Location OBA Indicator
<b>X12 Mapping</b>
<b>Offer Upload</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Heading N1: For the data element Return Addressee Company Code/Return Addressee Company Proprietary Code, modify the data element name to "Return Addressee/Return Addressee Proprietary Code".
Sub-detail N1: Delete all entries for the N1 segment: M Segment Indicator M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code MA Gas Transaction Point (1 or 2) Description
Sub-detail N4: Delete the entry for the N4 segment: BC Gas Transaction Point 1 Zone
Sub-detal N1: For the N1 label, add the following entries: M Location Purpose MA Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entries: BC Location Zone
<b>X12 Mapping</b>
<b>Offer Upload Quick Response</b>
<b>Data Element Xref to X12</b>
Sub-detail N1: Delete all entries for the N1 segment: C Segment Indicator C/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code

Sub-detail N1: For the N1 label, add the following entries: C Location Purpose C/C Location/Location Proprietary Code
<b>Offer Upload Notification</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Heading N1: For the data element Return Addressee Company Code/Return Addressee Company Proprietary Code, modify the data element name to "Return Addressee/Return Addressee Proprietary Code".
Sub-detail N1: Delete all entries for the N1 segment: M Segment Indicator M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code MA Gas Transaction Point (1 or 2) Description
Sub-detail N4: Delete the entry for the N4 segment: C Gas Transaction Point 1 Zone
Sub-detail N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entries: SO Location Zone
<b>X12 Mapping</b>
<b>Offer Upload Bidder Confirmation</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Return Addressee Company Code/Return Addressee Company Proprietary Code, modify the data element name to "Return Addressee/Return Addressee Proprietary Code".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
<b>X12 Mapping</b>
<b>Offer Upload Bidder Confirmation Quick Response</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
<b>X12 Mapping</b>
<b>Offer Upload Final Disposition</b>
<b>Data Element Xref to X12</b>
Detail N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
<b>X12 Mapping</b>
<b>Operationally Available and Unsubscribed Capacity</b>
<b>Data Element Xref to X12</b>

Sub-detail N1: Delete all entries for the N1 segment: M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code SO Gas Transaction Point (1 or 2) Description M Segment Indicator
Sub-detail N4: Delete entry for the N4 segment: SO Gas Transaction Point (1 or 2) Zone
Sub-detal N1: For the N1 label, add the following entries: M Location Purpose SO Location Name M Location/Location Proprietary Code
Sub-detail N4: For the N4 label, add the following entry: SO Location Zone
<b>X12 Mapping</b>
<b>Note/Special Instruction</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Sub-detail N1: Delete all entries for the N1 segment: SO/C Gas Transaction Point (1 or 2) Code SO/C Gas Transaction Point (1 or 2) Proprietary Code SO Gas Transaction Point (1 or 2) Description C Segment Indicator
Sub-detal N1: For the N1 label, add the following entries: C Location Purpose SO Location Name SO Location/Location Proprietary Code
<b>X12 Mapping</b>
<b>Transaction Set Table</b>
<b>Bid Upload</b>
<b>Data Element Xref to X12</b>
Heading N1: For the data element Releaser Company Code/Releaser Company Proprietary Code, modify the data element name to "Releaser/Releaser Proprietary Code".
Heading N1: For the data element Bidder Company Code/Bidder Company Proprietary Code, modify the data element name to "Bidder/Bidder Proprietary Code".
Heading N1: For the data element Return Addressee Company Code/Return Addressee Company Proprietary Code, modify the data element name to "Return Addressee/Return Addressee Proprietary Code".
Sub-detail N1: Delete all entries for the N1 segment: M/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code MA Gas Transaction Point (1 or 2) Description M Segment Indicator
Sub-detal N1: For the N1 label, add the following entries: M Location Purpose MA Location Name M Location/Location Proprietary Code
<b>X12 Mapping</b>

<b>Bid Upload Quick Response</b>
<b>Data Element Xref to X12</b>
Sub-detail N1: Delete all entries for the N1 segment: C/C Gas Transaction Point (1 or 2) Code C/C Gas Transaction Point (1 or 2) Proprietary Code C Segment Indicator
Sub-detail N1: For the N1 label, add the following entries: C Location Purpose C Location/Location Proprietary Code
<b>X12 Mapping</b>
