Rae, can you attach this email for the materials for the 2 standards drafting team conference calls next Tues? I would like it to be an agenda item. Thank You.

**Subject:** Upcoming NERC Calls -- August 6, 2003

Tim -

Thanks so much for coordinating these calls around our existing schedule and we should be able to bring some additional participants on to your calls especially now that we have kicked off our two drafting teams that correspond to your Coordinate Operations and Coordinate Interchange SARs. I know that our office is now working with yours to schedule drafting team meetings, and that coordinating these efforts can be trying. We much appreciate your willingness to work with us on this.

Should your groups be interested in our calls and meeting, the notices can be pulled from the web site -- for the two drafting team calls on July 29, the agendas can be pulled from the page: [http://www.naesb.org/weq/weq\\_standards\\_review.asp](http://www.naesb.org/weq/weq_standards_review.asp). For the upcoming Inadvertent Interchange Payback Task Force, the meeting is in Philadelphia on August 6, and the materials can be downloaded from the following page, once posted: [http://www.naesb.org/weq/weq\\_market\\_operations.asp](http://www.naesb.org/weq/weq_market_operations.asp).

Again thanks so much for working with us on this; it is a pleasure working with you and your staff  
-- Rae
