b) Develop standard communication protocols and cybersecurity requirements as needed for OASIS and electronic scheduling including determining which, if any, ESC/OSC and other related industry standard communication protocols and cybersecurity requirements should be developed into NAESB standards.	4 th Qtr 2003 Ongoing High priority	MSS
3 Develop business practices standards in Support of a Standard Market		
a) Develop standards and model business practices in accordance with FERC orders and rules issued in the SMD docket (RM01-12-000), or pursuant to Order Nos. 888 or 2000, or otherwise directed by the FERC.	Per FERC Order High priority	MSS
b) Respond to FERC inquiries pertaining to business practice standard development and keep FERC informed on the nature and effectiveness of coordination activities with other standards setting organizations.	Ongoing High priority	MSS
4 Develop business practices standards to Improve the Current Operation of the Wholesale Electric Market		
a) Establish a standardized electric trading day.	See Note 1.	Market Operations

¹ Dates in the completion column are by end of the quarter for completion by the assigned committee. The dates do not necessarily mean that the standards are fully staffed so as to be implementable by the industry, and/or ratified by membership. If one item is completed earlier than planned, another item can begin earlier and possibly complete earlier than planned. There are no begin dates on the plan.

² The EC determined that this item should carry a medium priority in terms of substance and a high priority in terms of organizational relations.
