FROM: Rae McQuade, Executive Director

RE: Subcommittee Leadership

DATE: January 14, 2003

Dear Market Standards Subcommittee Participants,

During the MSS conference call yesterday, the subcommittee decided to hold a nomination period beginning today and ending on January 22 for subcommittee leadership - namely a chair and vice-chair. Anyone can self nominate, and should do so by filling out the attached form and submitting it to the NAESB office. An election will be held shortly thereafter, with the candidate receiving the highest number of votes elected as the chair and the candidate receiving the next highest number of votes elected as the vice chair. One of the two officers is required to be a WEQ Executive Committee member, and if neither of the two candidates receiving the most votes hold a WEQ EC seat, then after the chair is determined by the greatest number of votes cast for a candidate, the vice chair will be named as the candidate receiving the next greatest number of votes who is also a WEQ EC member.

Best Regards,

NAESB Office
