RE: Request for Comments on OASIS 1A Issues work paper – due November 13, noon

DATE: November 11, 2003

Dear NAESB WEQ Information Technology (IT) Subcommittee participants,

At the November 7 OASIS 1A Issues Task Force meeting comments were requested on the OASIS 1A Issues document. Comments should mirror the document and note whether the issue is a clarification or a compliance issue. Comments are due by noon on November 13 and will be compiled for discussion at the November 14, 2003 conference call from 10:00 a.m. to noon Central. The task force intends to make a recommendation on the document at the December 3 WEQ Information Technology Subcommittee meeting.

Any comments should be forwarded to Veronica at the NAESB Office (naesb@aol.com).

Best Regards,
Todd Oncken
