RE: WEQ ESS & ITS Oasis 1A Task Force Draft Agenda – May 14, 2004

DATE: April 30, 2004

Dear Interested Industry Participants,

At the April 6 joint ESS and ITS meeting in Folsom, CA preliminary discussions began on Request R04011 (Generation Interconnection Order). To get input from the broadest possible audience, it was decided that the OASIS 1A Task Force would hold a conference call to discuss the disposition of Request R04011, specifically whether the OASIS postings contemplated by the Order require template changes or could be accommodated by ad hoc posting on OASIS sites.

An OASIS 1A Task Force conference call has been scheduled for May 14, 2004 from 2:00 p.m. to 3:00 p.m. Central. An agenda for the call is shown following. Ms. Rehman will lead the conference call. If you have not already received the conferencing details, please contact the NAESB Office (713-356-0060 or naesb@naesb.org) to obtain the conference calling details.

Best Regards,

Todd Oncken, Deputy Director
