

NY Electric / Gas Time Line

Notes

- Bids for the Day Ahead Market (DAM) are due by 5:00 am for the next day's market (Calendar Day 1). Prices and schedules post before 11:00 am.
- Bids for the Hour Ahead Market (HAM) are due 2 hours before real time and schedules are released 30 minutes prior to real time for each hour of the day.
- The real time electrical day starts at 0:00 and runs through 23:59.
- Real time prices are set every 5 minutes using the previous hour's HAM bids.
