The TSP and the SR may mutually agree to waive this requirement.

Proposed Modified Standard z4

Upon receipt from the Service Requester (SR) of all credit information provided pursuant to a request (or in lieu thereof a response indicating why all information requested is not provided), the Transportation Service Provider (TSP) should notify the SR's authorized representative(s) that it has received such information. The TSP and the SR may mutually agree to waive this requirement.

Proposed Standard z26

The Transportation Service Provider (TSP) should not award capacity release offers to the Service Requester (SR) until and unless the SR meets the TSP's creditworthiness requirements applicable to all services that it receives from the TSP, including the service represented by the capacity release.
