---

It has come to my attention that the recommendation approved by the WGQ Executive Committee on June 5, 2003, as member ratified July 21, 200, has the following minor correction that needs to be made:

**Standard 2.3.z3** Transportation Service Providers which support the ability of a party (or its agent) to:

- a) request Statement(s) reflected in NAESB WGQ Standard [2.3.z1] pursuant to ~~GISB~~ NAESB WGQ Standard No. [2.3.z2] and
- b) receive the Statement(s) in response to such request;

should provide the documents requested at the party's designated site by 9:00 a.m. CCT on a business day when the request is received prior to 3:00 p.m. CCT on the prior business day.
