Subject: Errata to NAESB WGQ Standard 5.4.3 – Award Download
Date: August 1, 2003

It has come to my attention that the abbreviation for the data element Bid Number in the NAESB WGQ Standard 5.4.3 – Award Download is incorrect. Please make the following correction:

Business Name (Abbreviation)	Definition	EBB Usage	EDI/FF Usage	Condition
Bid Number (Bid Rate No)	A unique identifier within each transportation service provider identifying the bid.	M	M
