Provisional Activities²

Examine report and determine if an “energy day” standard is needed, including assessment of changes to existing GISB standards..

Remand of FERC Order 637 Issues – (1) forward-backward haul to the same point, and (2) Right of First Refusal.

¹ Dates in the completion column are by end of the quarter for completion by the assigned committee. The dates do not necessarily mean that the standards are fully staffed so as to be implementable by the industry, and/or ratified by membership. If one item is completed earlier than planned, another item can begin earlier and possibly complete earlier than planned. There are no begin dates on the plan.

² To the extent that it is determined that any of the provisional activities should be worked upon during the year, the Board has the discretion to modify the annual plan.
