---

The next NAESB e-Tariff Subcommittee meeting is scheduled on April 26, 2007 hosted by the American Gas Association (400 N. Capitol Street, N.W. 4th Floor, Washington, DC 20001) in Washington, DC. The meeting will be held from 10:00 AM to 4:00 PM Eastern. The agenda for this meeting is attached below. Hotel information is posted on the e-Tariff Subcommittee page at: [Nearby Hotels](#).<sup>1</sup>

**CONFERENCE CALLING AND WEB CONFERENCING DETAILS FOR THE APRIL 26, 2007 e-Tariff MEETING:** If you plan to participate by conference call, the dial in number is 866-740-1260 and the access code is 3560060. Please call the office (713-356-0060) for the four digit security code. If you would like to participate in the web conference go to [www.readytalk.com](http://www.readytalk.com) and enter the same access code (3560060) and security code (retrieved from the NAESB office). The meeting is open to any interested party.

**RSVP INFORMATION:** Due to security measures in place at AGA's offices, if you plan to attend in person you must RSVP to the NAESB office by **April 16, 2007** so that we can provide the list to AGA prior to the meeting. If you are not able to attend in person, but would like to participate by phone, the conference calling and web conferencing information can be found below. Please RSVP to the NAESB office by the end of business on April 16, 2007 whether you plan to attend in person or via teleconference. You can RSVP by calling the NAESB office (713-356-0060) or via e-mail ([naesb@naesb.org](mailto:naesb@naesb.org)).

In all likelihood, we will be voting at the April 26 meeting. As you RSVP, it would be helpful to include the following information --

- Name
- Company
- email address
- phone number
- Quadrant (Wholesale Electric or Wholesale Gas)
- Market Segment (for gas -- pipeline, producer, local distribution company, marketer or services, or end user; for electric -- transmission, distribution, independent grid operator/planner, end user, generator, or marketer/broker).

If you are unsure of which quadrant or segment you represent, our office can assist you. If we do balanced voting, you will need to vote in your quadrant and segment designation. This meeting, as with all NAESB meetings, is an open meeting.

**REQUEST FOR WORK PAPERS FOR THE APRIL 26 MEETING:** During the March 13 meeting, the chairs requested participants to submit comments on the work paper posted as a work paper for the March 13 meeting: [WGQ/WEQ eTariff Work Paper of draft proposed business practice standards](#). If possible, please submit your comments in native format so that all of the comments can be combined into one document for review during the April 26 meeting. Comments are **due by the end of business on Monday, April 16, 2007** to give time for the NAESB office and the e-Tariff Subcommittee co-chairs to compile the comments into one document. Comments should be submitted to [naesb@naesb.org](mailto:naesb@naesb.org). All comments will be posted separately on the NAESB e-Tariff

<sup>1</sup> Please note that hotel room availability is tight in this area in April and generally on Wednesday nights. Alternatives to the Capitol Hill area would be the Rosslyn area and the Crystal City area in Northern Virginia. They are both metro-accessible (15 minute train ride on average, 10 minute cab ride during non-rush hour) and should have reasonable rates. If you have any questions about your hotel accommodations, please contact Mariam Arnaout of the American Gas Association: (202) 824-7127.
