Re: NAESB WGQ Contracts Subcommittee Request for Comment on Proposed Special Provisions

Ladies and Gentlemen,

Chevron Natural Gas, a division of Chevron U.S.A. Inc. submits this letter in response to NAESB's request for comments on proposed changes to the NAESB gas contract. Chevron Natural Gas generally agrees with the comments submitted by Societe Generale Energy Corp. and respectfully requests that NAESB refrain from making further revisions to its standard natural gas purchase and sale base contract (whether it is the 2002 version or the 2006 version).

Respectfully submitted,
