Add a second quantity field for storage releases. Use would allow storage quantity to be designated on a daily basis and on a contract basis. The second quantity would be used on the Offer, the UPPD and the UPPD-Notification. It may also need to be on the Award.

**Applicable Documents:**

Offer, UPPD, UPPD-Notification and perhaps the Award Notice.

**Associated Revisions:** N/A

**Is Revision Required to Support an Existing GISB Standard? If So, State Standard Number and Language:** No

**Applicable to Upstream/Downstream Process? If So, State Task Force Referred To:** No

**Sense of the Room Results:** 2 In Favor; 16 Opposed - at 10/1/96 meeting

This request was previously discussed by the Team at the October 1 & 2, 1996 meeting. The Team feels that the current data sets will fulfill the Columbia business needs and that a closer look will be made after RM96-14. At the October meeting, Columbia did express doubts that the current data elements will meet their needs and they do not agree with the Team. Columbia is encouraged to present new information via a new Request if they continue to have doubts with the current data structure.

**Executive Committee Sponsor:** Norm Walker

**GISB Subcommittee/Task Force:** Market Initiation Task Force Capacity Release
