#### 4. Clarification or Interpretation Request:

Is the 855 Nomination Quick Response always due at noon even when the 850 nomination request is received earlier than 11:45 am by the transportation service provider or is it always due 15 minutes later no matter when the 850 nomination request is received?

In other words, If a timely nomination is sent in at 9:30 am and received by the TSP by 9:45 am, will the 855 quick response still be sent back at noon or does it need to be sent back earlier by 10:00 am (15 minutes later)?

#### 5. Possible Interpretations or Clarifications, if known:

It needs to be clarified that the party sending back the 855 Nomination Quick Response document as required under GISB standard 1.3.2 need not wait until noon to send it, but instead should send it back within 15 minutes of receipt of the 850 nomination transaction no matter when it is received consistent with GISB standards 4.3.2 and 4.3.3 and 4.3.9. The Quick response due at noon is only applicable in the case of the nomination being received at 11:45 am. This allows a party to send in a nomination early and still have time to make corrections if errors are discovered after receiving the 855 Quick response.
