Processing Requests for Interpretation/Clarification:

1. A Request for Clarification or Interpretation shall be submitted to the NAESB Office, given a designation number (beginning with a "C" and the last two digits of the year and then beginning with 001, 002 etc.) and forwarded to the voting members of the Interpretations Subcommittee for review.
2. Each Request for Clarification or Interpretation shall be noticed by posting on the NAESB home page and will be discussed during at least one meeting. During the first meeting to discuss a Request for Clarification or Interpretation the subcommittee members and participants will discuss the matter under consideration and seek from the requester and other interested parties their views on the matter and the circumstances giving rise to the request. Issues and potential resolutions will be discussed and recorded in the minutes of the subcommittee.
3. During this first meeting in which a request is discussed, the subcommittee, in conjunction with the requester, may determine that:
 - 3.1 The request has been satisfied through the discussion and the requester determines to withdraw the request pursuant to paragraph 5.5 below;
 - 3.2 A proposed interpretation be drafted and posted for discussion at the next scheduled meeting of the Interpretations Subcommittee;
 - 3.3 Additional information, research, or input is needed from the requester or other knowledgeable parties including other NAESB subcommittees or task forces before proceeding with processing the Request for Clarification or Interpretation; or
 - 3.4 The Request for Clarification or Interpretation is better handled as a request for standard.

In the event of a determination under 3.4 above, the Interpretations Subcommittee will draft a suggestion to the EC that the EC can refer the request to another NAESB Subcommittee or task force with passage of the appropriate minutes and any appropriate work papers.

In the event of a determination under 3.3 above, a) the Interpretations Subcommittee member(s) seeking additional information may solicit material from sources of their choosing (including but not limited to NAESB meeting minutes and transcripts); and/or b) the Chair may request of the NAESB office

that a formal request for information be forwarded to the chair(s) of the applicable NAESB Subcommittee or task force.

Processing Draft Interpretations:

4. In the event of a determination under 3.2 above, the draft interpretation will be generated and posted sufficiently in advance of the next scheduled meeting of the Interpretations Subcommittee so that interested parties may have an opportunity to review the draft interpretation and provide comment (written or verbal) at the next scheduled meeting of the Interpretations Subcommittee. Meeting minutes will close with the agenda of proposed items for discussion at the next scheduled meeting.
 - 4.1 Proposed interpretations will be discussed during at least one meeting of the Interpretations Subcommittee. If the Interpretations Subcommittee determines at that time that a draft (including the first draft) of an interpretation is ready for EC review and determination, a vote will be taken. If the matter passes by simple majority (including a count of notational votes), the interpretation shall be posted for industry comment and the matter forwarded to the EC to be added to the next EC agenda following the close of the comment period (which comment period, absent an EC determination to shorten, would not be less than two weeks).
 - 4.2 If there are changes to a draft (including the first draft) of an interpretation which changes are agreed to by the members of the Interpretations Subcommittee, another draft will be done, posted with the minutes of the meeting and discussion upon the second (or subsequent) draft scheduled for the next meeting of the Interpretations Subcommittee.
 - 4.3 The Interpretations Subcommittee may, upon review of a draft interpretation, determine that the matter under review should be handled pursuant to 3.3 or 3.4 above. In which case the draft interpretation will be “held” in its draft state until: a) resolution (or lack thereof) under 3.4, or b) the receipt of additional material; and, c) further review and vote by the Interpretations Subcommittee.
 - 4.4 All draft interpretations which are being “held” in their draft state under Section 4.3 are open for discussion during an Interpretations Subcommittee meeting but may not move to final draft without a determination during one meeting that the matter will be placed on the Agenda for the next scheduled meeting at which time the Interpretations Subcommittee will address the drafting (and potential resolution by vote) of the “held” interpretation request.

Completion of the Interpretations Process:

5. Action by the [WGQ](#) EC determines whether or not a Request for Clarification or Interpretation has been processed to completion by the Interpretation Subcommittee.

5.1 The [WGQ](#) EC, at any scheduled EC meeting may, by a majority vote, discharge a draft interpretation from the Interpretations Subcommittee. Upon such vote to discharge, the EC may place the matter on its next agenda for review and a determination by the EC. The matter so discharged pursuant to this section 5.1 will be posted for industry comment in advance of the EC meeting at which it will be discussed.

5.2 The [WGQ](#) EC, upon receipt of a matter from the Interpretations Subcommittee pursuant to section 3.4 may accept or modify the suggestion; and if so, the matter shall be deemed to have been processed to completion.

5.5 The requester of an interpretation may withdraw their Request for Clarification or Interpretation. Upon withdrawal, work upon that numbered request shall cease without prejudice to subsequent action on a request pertaining to the same or related subject matter. Notice of withdrawal should be made a) in writing at or following the meeting of the interpretations subcommittee (and included in the minutes thereof); b) at a meeting of the EC where it is scheduled for resolution or discussion (and included in the minutes thereof); or c) in writing to the NAESB Office which shall forward such notice to the Interpretations Subcommittee and/or EC as applicable. Requests for Clarification or Interpretation may not be withdrawn after a final vote of the [WGQ](#) EC upon the matter.

The Executive Committee may also refer the recommendation back to the Triage Subcommittee with instructions. In the event of such referral, the Triage Subcommittee will then process that Request for Standard prior to the next Executive Committee meeting and formulate a recommendation taking consideration of the instructions of the Executive Committee.
