As a follow-up to today's REQ EC teleconference I am sending this, and two separate, e-mails to individuals who have expressed an interest in NAESB REQ activities.
Rae, please also post these e-mails on the NAESB REQ website.

We are fortunate to have named the following individuals as the Interim Chairs of the REQ Subcommittees:

- Customer Processes Felicia Lokey of TXU Energy felecia.lokey@txu.com
- Supplier/Utility Interface Cherie Brodrick of ERCOT CBroadrick@ercot.com
- Technical Electronic Implementation Dick Brooks of Systrends dick@systrends.com

If you are interested in participating on any of these sub-committees please contact the Interim Chair(s).

If you already sent an expression of interest to the NAESB Office or to me, you need NOT send another note to the Interim Chair, all notes sent previously have been forwarded to them already.

As discussed on the call today, preparations to conduct a sub-committees kick-off meeting in September are underway. Specifics will be communicated as soon as the logistics are firmed up.
