NAESB AT A GLANCE: MONTHLY UPDATE

REVIEW OF NAESB'S RETAIL QUADRANT ACTIVITIES: Dan Jones, from Duke Energy, presented the [power point presentation on NAESB Retail Activities](#) at the May Retail Electric/Retail Gas Executive Committee meeting. It was so well received there, the EC thought it would be beneficial to present the work paper to the industry. In his presentation he reviewed NAESB's background and organization, retail accomplishments to date, future retail activities, information on the NAESB technical subcommittees and the benefits of membership.

NEXT CONFERENCE CALL: The next Monthly Update Call is scheduled for September 1, 2010 from 1-2 PM Central. The agenda and any work papers will be posted on the Monthly Update page of the NAESB website: http://www.naesb.org/monthly_update.asp. We hope you can join us. If there are particular topics you would like to see covered or would like to receive additional information, please contact the NAESB Office (713)356-0060, naesb@naesb.org.
